Dear Parents and Caregivers,

Thank you to all of the parents who have completed their child's Personalised Learning Pathway with myself and Miss Mills. If you are yet to meet with us, it's not too late, please see us for an appointment at your earliest convenience.

## **STEM Visit**

Today we had the opportunity to further develop our skills in Science, Technology, Engineering, Art and Mathematics using a variety of Robotics. These machines were very well received by all our students and it has given them a starting point to build upon when we purchase our own in the very near future.

## **Stewart House Fundraiser**

Thank you to everyone who has purchased a Bouncy Ball in support of Stewart House. There are only a few left if you'd like to buy one for \$3 before we sell out.

## **Fixed Equipment**

On Thursday we had a visit from Asset Management to look at our softball. They confirmed that we have met the requirements in terms of depth and overall quantity. It is fantastic to be able to use our fixed equipment area again.

## **Excursion**

Tomorrow, Tuesday the 22<sup>nd</sup> of May there will be a power outage at our school. We will be going on an excursion to the Dubbo Cultural Museum. Please return the permission note if you haven't already signed and handed it into the office.

## **Fruit**

Just a reminder, students are asked to supply a piece of fruit each day to share with their classmates.

## **Vegetable Garden.**

Last Friday, students planted a variety of winter vegetables into the raised garden beds that were generously donated to us by our wonderful P&C. If they all grow according to plan, we will endeavour to incorporate them into our Friday lunch orders.

## **Notes – HSLO Visit**

Thank you to parents who are writing a note or calling the school when their child is away. I have received an email from the Home School Liaison Officer (HSLO) and they will be visiting us in Week 7 to discuss the overall attendance of students at our school.

## **School Photographs**

Our school photo day will be on Thursday, 21<sup>st</sup> June. The order form is attached and students are requested wear full winter uniform on the day.

## **Lunch Orders.**

This week's lunch order will be pies and a popper for the bargain price of \$4.50. Please return them by Thursday so that I can purchase enough to cater for all of the orders.

## Snow Excursion

Thank you to everyone who has paid the deposit for their primary child to participate in this excursion. There is a detailed information note accompanying this newsletter for those involved.

## Library

Library will be **Wednesday** this week so please remember to return Library books.

Thank you

Jody

## Quote of the Week
