## Wellington Show

On Saturday, our school was awarded The Best Display Using the Theme "Showcasing Home Produce" ribbon at the Wellington Show. We won a monetary prize of \$75 which will go towards our whole school excursion in November. I would like to acknowledge the staff from our school for not only ensuring the work was produced to an incredibly high standard but also for utilising their own time to erect and dismantle the display. I am very grateful and truly appreciate all that you do for this little school to continue to shine and excel within the community.

## Election Day Barbecue/Cake Stall/100's Club.

I would like to thank our P&C volunteers who cooked and served at our Election Day barbecue on Saturday. Thank you also to parents who baked for the cake stall – as usual all of the treats were incredibly delicious and greatly appreciated.

## Fruit Break

Thank you to everyone for remembering to send in a piece of fruit every day for students to share. We are running a little low at the minute so any contributions will be greatly

received. PTO→

## **GRIP Leadership**

Today our leaders went to Dubbo to participate in the GRIP Leadership Program. This is an amazing opportunity for students to further develop their leadership potential. I would like to thank Miss Mills and Coll for travelling to Dubbo with our students so they could be involved.

## **Stewart House**

Attached to the newsletter is an envelope for anyone who would like to donate to Stewart House. This is a worthwhile and valuable resource for families and they rely on the support and generosity of others to continue to provide this service.

## **Lunch Order**

This week students can purchase a meal deal for \$4 from Eumungerie Public School and it consists of a sausage sandwich, fruit, popper and ice block. The lunch bag is attached as per normal.

Have a great week

Mrs Jody Hall – Principal
