Term 3 Week 8

Dear Parents/Caregivers,

I cannot believe we are in Week 8. This term has certainly gone by quite quickly, but the old saying is... "Time flies when you're having fun". As usual, we will be working right up until Friday Week 10. There is a lot of content that still needs to be taught and we love seeing all the students' faces daily, right up until the end of the term.

Hats

Just a reminder for students are required to wear a bucket hat at school to align with the DoE's Sun Safety Policy. Hats are available from the Front Office for \$10.

District/Western Athletics Carnival

Congratulations to Emily, Tobey and Dutchase for their efforts at the District Athletics carnival last Friday, it was a very competitive field and our students performed incredibly well. A special mention to Emily who made it to the finals in the 100m dash.

This Friday, our relay team (Domonic, Tobey, Emily and Dutchase) will be competing at the Western carnival in Dubbo. We wish them lots of luck and are confident they will represent our school with pride.

Library

Next week, all outstanding Library books need to be returned. There will not be any borrowing as we prepare for the end of Term 3. If there are still outstanding books in Week 10 we will send home an invoice for the replacement cost of any lost books.

Book Fair

Our Book Fair has been very successful and I would like to thank everyone for their support. It will close at the end of this week so if anyone would like to purchase anything else this will be the last opportunity. I will let everyone know next week what our grand total of sales was and what we receive in return.

Excursion Payment

If anyone has monies owing on the excursion to Great Aussie Bush Camp we are still taking payments. If you are unsure of your balance please feel free to see Coll, Mrs Frazer, Miss Mills or myself and we will help you as best as we can.

Work Experience

Next Monday, we have a work experience student from St Stanislaus in Bathurst commencing a 2 week visit with us. I am sure you will make him feel very welcome.

Road Safety

Please find attached a Road Safety brochure on leaving school safely. It just reminds parents to ensure students are appropriately strapped in before driving away, reverse parking outside of the school and other relevant information. I am passing this on because there will be increased Police presence within the local area.

Creative Kids and Sporting Kids

Funding is available for students who wish to join in a sporting and creative art activities. Please use the link below or go to **Service NSW** for more information.

The NSW Government is helping kids get active with the new Active Kids program.

Parents, guardians and carers can apply for a voucher valued up to \$100 per calendar year for each student enrolled in school.

The voucher may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities.

The voucher can be used at any time during the calendar year it was issued.

To use the voucher, find a [registered activity provider](#) and present your voucher when you sign up. The program runs year-round, so kids can get active at any time!
